Are you dynamic, creative and ready for a challenge in a fast-paced sporting environment? Melbourne Victory Football Club are seeking an experienced Graphic Designer to join our team.

Reporting to the General Manager of Marketing & Public Relations, the Graphic Designer will be responsible for both generating ideas, concepts and designing creative assets in line with the Melbourne Victory brand guidelines.

This is a full-time role that demands an energetic, flexible and approachable individual who has a high level of creativity and experience working within brand parameters. The Graphic Designer will be critical in delivering outcomes for internal departments and across club digital channels.

### KEY RESPONSIBILITIES

- Creatively nurturing the Melbourne Victory brand, as a true brand custodian
- Managing relationships with internal stakeholders
- Collaborating with internal departments from idea generation through to execution
- Reviewing creative briefs and managing job lists to effectively deliver on deadlines
- Involvement in campaigns from social media to print, video, web and apps
- Maintaining an advanced knowledge of software used for graphic design, and trends within graphic design, to facilitate advice on best practice design and creative concepts

### ESSENTIAL

- Strong attention to detail and organisational skills
- Ability to generate ideas and concepts quickly and independently
- Originate and execute creative work – from initial concepts to pitch presentation
- Ability to work within set brand and style guidelines
- Experience in a creative lead/graphic design role
- Relevant tertiary qualification
- Technical knowledge and strong ability with Adobe Creative Suite (Photoshop, Indesign, Illustrator, Acrobat) as well as Microsoft Office (PowerPoint, Word, Excel)
